

# Unaccompanied Child Authorization

By this document I give my child \_\_\_\_\_  
Age \_\_\_\_\_ (must be 10 -14) permission to spend time at  
Brynwood Swim Club unaccompanied by an adult.

I realize that he/she is to be subject to all pool rules and is  
responsible for his/her behavior. I understand that failure to  
follow pool rules may result in this privilege being  
withdrawn by pool management.

This authorization is contingent on the child passing the  
basic swimming readiness test.
